TRACHEOSTOMY TUBE HOLDERS

The Insight Tracheostomy Tube Holder uses the highest quality materials to provide a safe and secure fixation for the tracheostomy tube.

The neck band is manufactured from an ultra soft brushed cotton/foam material that prevents soreness and discomfort to the patient.

A simple to use two-piece design allows quick fitting to the majority of neck sizes, while the integral 'cough-strip' enables reflex movement to the patient if needed.

Code	Description	Pack Size	Pharmacy Use Only
TH/100	Adult Tracheostomy Tube Holder	10	289-4814
