# Clinical Training

Neotech has an experienced team of licensed Clinical Consultants who work with hospitals providing educational support and in-servicing.

Our highly specialized team is located throughout the United States. Their expertise in the neonatal, pediatric and respiratory fields is designed to provide you with the safe and proper use of our products.

Clinical Consultants can provide on-site in-servicing for your staff including night and weekend shifts. Our Clinical Consultants are also available to assist our distributor reps.

If you are interested in on-site training please contact our office at (800) 966-0500.

# Product Submissions

We have a great history of successfully licensing new product ideas from inventors in the field and rewarding them for their ideas. We're easy to work with, we move forward quickly with your concept and we can provide you with good, free, honest advice on your product idea! Call us to receive a new product submission form.
